

Hello Causeway,

We're just coming through a season of prayer and fasting – a time of intentionally drawing closer to God. One of the most powerful ways to gain a deeper relationship with Christ is to fast. Fasting brings spiritual transformation as you draw closer to God. Often as people fast for a specific need or prayer focus, they realize something beautiful. God called them to fast, simply to draw them nearer to Him.

Jesus said, 'Seek first the kingdom of God and His righteousness, and all these things shall be added to you.' (Matt 6:33) When you put God first and seek Him, your needs will be met. He will give you the desires of your heart. Those specific needs you're praying for? He knows and He cares. Even if your situation isn't changing yet—you're changing. And that can change

your situation more than you realize!

You're not losing anything by gaining a deeper relationship with Christ. As you draw near to Him, He draws near to you. As you grow more intimate with Him, you begin to understand His ways and recognise His voice, and see evidence of His hand at work all around you.

So keep pressing in. The best is yet to come!

With much love,

Colin & Anne
