Hello CauseWay,

"God's high and holy praises fill their mouths, for their shouted praises are their weapons of war!" Psalm 149:6

At Easter we were reminded of the victory that Jesus won for us on the cross. Jesus paid the price for us to live in freedom. We have much to be thankful for. However, life has its challenges, and we have an enemy who's out to defeat us. But God has given us strategies for winning, and praise is one of them.

When you go into battle with "God's high & holy praises" in your mouth, He will go before you. This is the "praise strategy" that toppled the walls of Jericho and caused Jehoshaphat's enemies to destroy one another before the battle even began. It's a decision to praise God

when you face a situation you can't handle; to focus on Him instead of on your problem. You may not feel worthy—but He is! You may not feel able—but He is!

Remind God of His promises. Nothing moves Him like the sight of His children praising His name and claiming His promises in the face of adversity. Praise invites God to intervene, so let's be a people of praise!

With much love,

Colin & Anne
