Hello CauseWay,

This year is becoming a significant year of prayer for our Church. Our weekly 6am prayer gatherings are gaining momentum and an understanding of the power of what we are doing each week is beginning to grow.

The most powerful people on the face of this earth are those who have learned how to pray. Not people who merely believe in prayer or talk about prayer — but people who take the time to pray.

Prayer is that holy communication with heaven that creates an atmosphere for God's presence. Our greatest weapon is prayer. Prayer is the power on earth that moves the power in heaven.

As individuals our prayer moments can become our greatest moments. Knowing that God is listening and will answer is one of the most amazing promises that we can stand on. God loves to keep promises, answer prayers and perform miracles. That is who He is, that is what He does.

God has so much more He wants to do in our church, our communities and our nation. And He wants us to be part of it. So CauseWay – let's keep praying!

With much love,

Colin & Anne
