## Hello Causeway,

Spring is here - a time when we sense God's creation is full of joy that winter is over, as trees and flowers bud and bloom, and baby birds and animals grace our landscape.

The Bible tells us we should be full of joy as well – regardless of circumstances! It tells us to “Always be joyful.” (1 Thess 5:16). The Psalmist wrote, “In thy presence is fulness of joy.” (Psalm 16:11) C.S. Lewis observed, “Joy is the serious business of heaven.” The truth is, the Bible is one of the most joy-filled books ever written. The words *joy* and *joyful* are found there no less than 245 times. The word *rejoice* shows up 150 times, and we're instructed to be joyful and rejoice nearly 400 times! That means joy isn't an emotion, it's an attitude. An emotion can't be commanded; no one can tell you to

feel happy if you're not. But you *can* choose to be joyful regardless of your circumstances.

Joy is not dependent on circumstances or other people. The secret to lasting joy is in realizing that you're unconditionally loved, valued, and accepted by God.

So today, know you are loved by your Heavenly Father and choose joy!

With much love,

*Colin & Anne*
